

Avery Dennison®

Safety & Security Window Films

Protecting Places of Worship

Places of worship, such as churches, synagogues, temples, and mosques can pose unique security challenges. Risk occurs in an environment where many people of the same faith gather at set times. Avery Dennison is committed to protecting these religious institutions with our portfolio of Safety & Security films. These films are designed to protect people and property against flying glass shards and help provide occupants additional time to escape perilous conditions while providing some protection for break-ins and blasts.

Safety solutions

Avery Dennison Safety & Security window films provide:

- Increased protection from glass shattered by impact, blast, crime or natural disaster
- Superb optical clarity for no compromise vision
- Up to 99% UV block to reduce fading and sun damage
- Available in 4 mil to 15 mil protection solutions

Why Avery Dennison?

With more than 85 years of experience, our people and product tell our brand story: trust, dependability and leaders in material science. Avery Dennison's products, which are used in nearly every major industry, include pressure-sensitive materials for labels and graphic applications; tapes and other bonding solutions for industrial, medical, and retail applications; tags, labels and embellishments for apparel; and radio frequency identification (RFID) solutions serving retail apparel and other markets.
